ARUBA

VISION 2 0 0 5

A Beautiful, Peaceful And
Safe Island, With Good
hearted People.

In a better Aruba:

1. We are proud of our Multicultural Aruban identity, we celebrate our traditions, and we respect our Papiamentu language.
2. We cooperate and respect each other within a healthy community.
3. Our leadership institutes and manages laws effectively in order to create a society where peace and security reigns.
4. We offer quality service in all sectors so that we progress and we take pride in a job well done.
5. We keep our island clean; we take care of our environment and protect our natural flora and fauna.
6. We have an educational system that stimulates our people, old and young, to learn and think creatively and that prepares them for a changing world.
7. We work on our physical, mental and spiritual development in order to contribute to the global health of our planet.
